

1. Description

Valiantech Advance+ is an ashless halogen-free multifunctional gasoline additive package developed by Valiantech Sdn. Bhd.

2. Key functions

At the recommended treat rates, **Valiantech Advance+** offer many benefits.

These include:

- Outstanding Gasoline Direct Injector (GDi) injector deposit keep clean
- Outstanding Gasoline Direct Injector (GDi) injector deposit clean up
- Reduction in particular generation
- Improvement in fuel economy, power, and acceleration
- Protection against valve sticking
- Protection inlet valve deposits
- Excellent protection against corrosion
- Complete compatibility with the constituent materials of the engine and fuel system

3. Typical properties

Typical physical and chemical properties data for **Valiantech Advance+** are given below:

Property	Advance+	Method
Appearance	Clear yellow	Visual
Density @ 15°C, kg/L	0.9088	EL-13 ¹ / ASTM D4052
Kinematic viscosity @ 40°C, cSt	15.28	EL-23 ² / ASTM D445
Flash point, °C	69	ASTM D93 ³
Pour point, °C	<-39	ASTM D97

4. Application

Pour entire **Valiantech Advance+** bottle into nearly empty tank and re-fuel with up to 60 litres of gasoline. This product can be used with unleaded, oxygenated and reformulated gasoline.
